"There is a big polo field on the Exposition grounds," said Mr. Tener, "that will make an ideal ball park."

Mr. Johnson and I both favor the series under certain conditions. It would be inadvisable to have the two nemant-winners meet each other after having after having after having strong but failed to keep pace with the movement in stocks. Total sales, par value, aggregated \$2,761,000.

best players of the other league would be a fine thing, and the Exposition deserves to be favored with such an exhibition.

The rule for-bidding the team winning the world's saries from engaging in any further bidding the team winning the world's sories from engaging in any further ball playing until the following spring will have to be set aside for this special case. But I think this can be done. The way it looks now, everything will be arranged all right, and the series will be played. The teams will go to the coast as soon as possible after the world's series has been decided. I expect to be at the opening of the National League, although it is possible I may have to be at absent.

OUTCLASSED WARRIORS. Englewoods Captured Third Consecu

tive Game-Score 8 to 1.

The fast Englewoods won their third consecutive game this season, on Saturday afternoon at Mohegan park when they defeated the Warriors of Norwich Town, 3 to 1. The game was marked by the unusually large attendance, a fine catch made by Troland of the Warriors, and the splendid pitching of Patterson. Patterson allowed the Warriors eight hits. The diamond was slow and handicapped the players in handling the ball cleanly. The Englewoods meet the Warriors again at Norwich Town on April 17 at 2.30 p. m.

## N. F. A. Opens Baseball Season Today

Unexpectedly the Academy Boys Will Play First League Game at Westerly This Afternoon-Team Has Had Practically No Practice - Eastern Connecticut Interscholastic League Held a Meeting.

Baseball at the Academy will take a fiying start today when a picked team will journey to Westerly to play the opening game of the Eastern Connecticut Interscholastic league. Through a misunderstanding the game was scheduled and it is up to the Red and White defenders to make the best of it. Although they have had practically no practice, Captain Charles Young is confident in spite of the fact that the boys will make a good showthat the boys will make a good show-ing considering the conditions. Man-ager Bruce MacMillan reports that the

As a result of a league meeting held Saturday afternoon at the Academy this game was announced. A new constitution was adopted and Dr. Frank S. Bunnell of the Academy faculty was chosen treasurer.

Two teams have dropped from the league, Killingly and Plainfield, making three teams in both divisions: Northern, Bartlett High, Windham and Putnam; southern, Academy, Stonington and Westerly. Another Taftville and Ponemah Wheel club

SATURDAY'S MARKET FLURRIED. But Is Largest Week's Business of the New York, April 10.—Profit taking of a very broad and general charac-ter, in which Europe participated to

ter, in which Europe participated to an unusual degree, was almost the sole restraint upon further speculative excesses in the stock market today. Even so, higher prices were established and in some instances retained on the largest week end business in six years. At the opening, which was marked by much confusion and excitement practically all the leading stocks and a majority of the speculatives moved somewhat univenly toward levels substantially above yesterday's high futures. U. S. Steel was the outstanding feature, interest concerging around that stock because of its meteoric rise the day before. Operating at a fracthe day tefore. Operating at a frac-tional advance, it soon gained a full point of 55, but as speedily fell back to 55 1-2 under the weight of enor-mous offerings. His close was 26, a one point loss, on dealings in excess of 180,000 shares.

Defeated League.

The presidents of both major baseball leagues have expressed themselves as in favor of playing a postworld's series of ball games at the Panama-Pacific Exposition next fall after the regular world's series has been decided. The contesting teams will be world's champions and a team of 'All Stars' picked from the best players of the defeated league. There have been rumors that the world's series would be played at the Exposition or else that the two pennant-winning teams would play a second "world's series" on the coast.

President League.

Bethlehem Steel was the sole exception to the general tendency, fallings and increasing this loss to four points. At no time did it figure importantly in the day's operations, Motor shares, while strong, also lost some of their recent prominence.

Harrimans' the Anthracites, Atchison, Canadian Pacific, Pennsylvania and New York Central rose 1 to 2 1-2 points, but failed to hold. Rock Island's feverish course reflected next week's meeting of the shareholders by raising almost four points, all of which it subsequently lost.

President League.

The March statement of the United States Steel corporation, showing a

President John K. Tener of the National league, who has returned from the Exposition, states that he thought a series in the fall at the Exposition grounds would be an excelent thing, and that in all likelihood he project would meet with the aptreed, but that he

in favor of Taftville,
In the second half, with the wind behind them, Taftville were expected to increase their lead. The Wheel club did not show to advantage, having no combination whatever, and with their fullbacks missing every other kick, they were not considered dangerous. From a miss kick by Wilson, Booth

cored the second goal, and he followed it up with another a few minutes later. The Taftville team were getting stronger and though they may be older they proved that they can stand 90 minutes of play better than their ounger opponents. The outstanding player for the Wheel club was Knowles. Taftville forwards missed many a chance to increase their

lead by poor shooting. From a corner kick well placed by A. Finlayson, Blanchette scored the fourth goal for Taftville. With only a few minutes to play, it looked like another shutout for the Wheel club, but in the last two minutes R. Pilling got away and cen-tering to Armitage scored. When the game was called the Wheel club was busy in defense.
